
ALTERNATIVE METHODS FOR QUALIFYING

Please note that all qualifying must be done in the presence of either the chorus rehearsal or using a 4~part recording of the chorus.

- 1) Sing to your PIP or Section Leader (in person).
- 2) Sing in a Quartet – IN THE PRESENCE of your Section Leader or your PIP
- 3) Tape ~ singing with all 4 parts ~ with a member of the MERT present
- 4) Sing for your Section Leader ~ one-on-one, (outside of rehearsal) along with a tape of the chorus singing the song.
- 5) Sing with a Quartet or Double Quartet for your SL – (away from rehearsal night)
- 6) Tape as usual on the risers during the presentation period and weeks 1 – 2.

* Cassette tapes are being phased out.

* Taping (using clip-on mic/recorder in your pocket ~ for your own education) is allowed anytime as long as it's not disruptive to the Chorus or the Director.

* If you're PIP is out of town, PLEASE GIVE your tape to another PIP

* Section Leader's need to be pro-active ~ make alternatives known to your section.

* When sending email to Jodi T with results, copy the Section Leader and Kathy C.

* Also the Section Leader's and /or PIPs can set up meetings during the time off for the alternative qualifying.
